

BRIEFS

One-Third of Lost Jobs Recovered

Around 70,000 Iowa jobs have been recovered since the peak of job losses amid COVID-19 restrictions.

From a peak of around 210,000 lost jobs, Iowa now has 135,177 continuing jobless claims, according to data released Thursday by Iowa Workforce Development.

That is down over 6,500 jobs since last week when Iowa had 141,748 continuing claims.

Manufacturing continues to lead jobs hit hardest with 3,448 for the week.

The agency is noting that benefits are set to begin expiring for workers who have exhausted their 13 weeks of eligibility. Some workers might qualify for an additional 13 weeks of state aid.

Storm's Brunt Misses Area

A low-pressure system produced showers and storms as it moved east through the Upper Mississippi River Valley Thursday, with some of the biggest damage just south of the area.

Wind damage and hail were seen with five severe thunderstorm warnings issued in the National Weather Service La Crosse (Wisconsin) County Warning Area.

In this area, warnings were issued for Allamakee, Chickasaw, Clayton, Fayette and Winneshiek counties.

The largest amount of rainfall in Winneshiek County came in rural Bluffton with 1.5 inches. Rural Jackson Junction recorded just over half of an inch by comparison.

Fayette County saw varying amounts, from 1.16 in Eldorado, just shy of the Winneshiek County line, up to 2.7 inches down in Arlington.

The storm struck Calmar around 1:45 p.m. with driving rain and a report of a tree branch landing on a garage, according to the weather service.

West Union took particular damage with a roof blown off of a building and branches down. The

Fayette County Sheriff's Office initially referred to a tornado, but the weather service has not given its confirmation to that estimation.

Area sports took a hit from the storm with games cancelled during the final days of play ahead of tournament.

NEIRHTF Now Accepting Homebuyer Applications

The Northeast Iowa Regional Housing Trust Fund (NEIRHTF) is accepting applications for first time homebuyer down payment assistance and housing rehabilitation improvement projects.

Applicants must be low-to-moderate-income first-time homebuyers, homeowners, landlord/for-profit organizations or non-profit organizations to promote and create affordable housing activities. All applicants must be in one of the following counties of Allamakee, Clayton, Fayette, Howard and Winneshiek. Eligible projects include rehabilitation and repair of existing housing, including, but not limited to: roofs, windows, siding, plumbing, electrical, energy efficiency, lead paint issues and handicap accessibility.

More information is available at www.uerpc.org

Closures Announced

The Spillville Public Library, Waucoma Public Library and the German-American Museum in St. Lucas have announced closures to the public.

The Calmar Public Library will remain open to the public.

Story hour is not currently in the works for the Calmar library, but additional programming is slated.

Business reaction to additional COVID-19 cases has been mixed, with some businesses, such as Two Trees Pizza in Ossian and The Mint in Protivin opting to go carry-out only while others such as PIVO staying open for customers.

OFFICIAL PROCEEDINGS
CITY OF FORT ATKINSON
REGULAR MEETING
JUNE 29, 2020

Present: Glass, P. Schmitt, Leuenberger, Schroeder and K. Schmitt Absent: None Mayor Paul Herold called the meeting order at 7:00 p.m.
No citizens addressed Council on any issues.
Greg Barta advised the storm drain at the hay auction is plugged. He called Visu-Sewer to video and jet it. Need to repair soon. Riprap washed out with last hard rain. Idea was suggested to install the big concrete blocks Croell carries, but feel it needs to start at the bridge, which would be about 120'. Herold will make some calls. Need to look at dike also, as the water is eating away the bank. Barta advised he has 6 sump pumps left to correct, but has not been going into any houses due to COVID.
Motion was made by K. Schmitt, seconded by Schroeder, to approve June 3, 2020 Council Minutes, June Clerk Reports and Monthly Bills as presented. All Aye. Carried.

Motion was made by K. Schmitt, seconded by Schroeder, to set the Public Hearing for the Environmental Review for September 2nd, 2020, meeting at 7 p.m. at the Community Center. All Aye. Carried.
Herold advised the surveyor will be here soon to look at the property proposed for the 2nd Well Project and will coordinate with Barta and Gerleman.
Due to the budget amendment not getting in the newspaper in May, we need to redo that public hearing. Motion was made by Glass, seconded by K. Schmitt to open the Public Hearing. All Aye. Carried. After no comments or questions, P Schmitt made a motion to close the Public Hearing and Approve the Budget Amendments for FY20. Glass seconded. All Aye. Carried.
Glass asked Council if they were ok with Little League selling popcorn and beverages during the Wednesday band

concerts to raise some funds. All were in agreement.
Joyce Barta submitted a building permit. After some discussion, Council will like a letter sent to her to investigate property lines and see if room allows as the code is written, or ask for signoffs from the neighbors to approve.
Driveway Specialist will be coming to look at the tennis court. We received \$4,285 from Winneshiek County Development to resurface.
Discussed Nuisances again. Leuenberger and P. Schmitt volunteered to make a list of code violations and bring to Council.
Next meeting will be August 5, 2020, at 7 p.m. in the Community Center. Motion to adjourn was made by Glass, seconded by Schroeder. All Aye. Carried. Meeting adjourned at 7:57 p.m.
